

AFA UPDATE

HELLO November

The Adams Friends Association wanted to share a HUGE "Thank You" and shout out to everyone that helped make the Halloween Party a success.

To Carrie Sparks and Amanda Hespel for planning and putting it together. To our sponsors for helping us fund the event: Daisy's Central Station, Humbert Asphalt, Safeway INC, and everyone else who donated money or prizes. Thank you to EUFR for allowing the use of their building, and thank you to the ladies at Wheatland Insurance for supplying everyone with Cocoa, Cider, and cookies!

We are so excited to be able to collaborate with so many local friends to put together programs and events for families in our community.

We are always looking for new members! Our next meeting is November 5th at 5:30pm. This Winter we will be working on voting in our by-laws so we can complete all the necessary requirements to become a registered 501-C3.

The next events we will be planning will be in the Spring, Easter followed by Adams Day.

Council News

On Sunday, November 5, 2023, we change our clocks back one hour to end daylight savings time.

The last water meter read of the season was on October 20, 2023. Residents are asked to pack their meters for the winter to prevent freezing. If a water meter is not packed and freezes, the homeowner is responsible for the cost of a new meter. Public Works Director Rich Stoupa is very close to having all the residential meters changed out. He is also still working to get the repair of the backflow devices scheduled.

The Adams Community Benefit Plan Board will be meeting on November 6, 2023, at noon. The meeting will be held at Adams City Hall. If your organization would like to apply for a grant, please contact City Hall for more information.

The Adams City Council approved a new wage scale for employees at the October 2, 2023, meeting. This increase was budgeted for in the Fiscal Year 2023-2024 Budget. They also received an update from Verkada on upgrading the security cameras.

Horizon Tower, LLC, who built the cell tower near Highway #11 has contacted the City to inform us they have rented space on the tower to Verizon. They will be installing a microwave dish on the tower which will link up with a tower on Weston Mountain.

This month a form was included in the water bill for customers to update their contact information. We are trying to put together a means of contacting customers in the event of a water emergency or to let them know we need to shut off the water at their house or on their street. Please include your email address if you have one. We won't send you your water bill by email unless you ask us to.

NOVEMBER 18, 2023, FROM 5:00-7:00 P.M. is the ADAMS COMMUNITY THANKSGIVING DINNER AT THE ADAMS FRIENDSHIP CENTER. Turkey, dressing, gravy, vegetables, cranberry sauce, rolls and beverages will be provided. Please bring a side, salad, or dessert to share. The dinner is sponsored by the Adams Ladies Club and the Adams Community Church.

If you have cans to donate, the Adams Public Library is accepting can donations. Proceeds from the cans go to special programs and events planned through the library. You can drop them by the back door any time!
