CONDITIONS THIS PERMIT USER AGREES TO FOLLOW:

1. Controlled Burn Area must follow these instructions, or be approved by the Fire Chief (or his/her designee), or contained in a steel barrel with a screen-covered top, located at least 25 feet from any structure or combustible materials. Ground must be cleared down to mineral soil a minimum of 10 feet in all directions from the barrel.

2. A constant water source must be at the fire. **In case of an EMERGENCY, DIAL 911.**

3. All open burning will be completed 30 minutes prior to sundown. (exception: Weston residents, See City of Weston burn ordinance.) Foggy, extreme dry or windy conditions exist, or a "Fire Ban" is in effect. Please call the fire district's business line or the web site listed above for "Fire Ban" info.

4. Fire must be attended to by a competent person (min. age 18) until such time fire is out and poses no threat.

5. Flying cinders or brands must be confined to the cleared space within the approved area.

6. DEQ regulations prohibit open burning of the following materials at anytime, anywhere in Oregon: Rubber products, Tires (includes burning tires to start an approved agricultural waste fire), Plastic, Garbage, Petroleum and petroleum-treated materials, Asphalt or industrial waste, Any material that creates dense smoke or noxious odors. Tree stumps may not be open burned unless they have first been removed from the ground and completely let dry also PLEASE RECYCLE CARDBOARD.

7. Ample access for Emergency Vehicles to the burn area must be available at all times. Also, I grant and authorize the Fire Chief (or his/her designee) to enter private property for the purpose of verifying compliance, extinguishing a fire or contacting a responsible party.
