- * All cans need to be **placed out for pickup by 6:00am** on your pick up day
- * Cans need to be placed **no closer than 5 ft** from any obstacle (i.e. fence, mailbox)
- * Please place the can so it does **not block the mailman's** path of driving
- * *If your can is moved by the driver please start placing it there for future pickups*
- * Cans need to be placed with the lid opening facing the street with **the lid closed**
- * In rural areas the cans need to be off the road but **not back any further than 3 feet**
- * Please **remove cans from roadway and streets** after your pickup is complete.
(This helps reduce theft and vandalism)
- * Please **bag and tie your garbage** (reduces litter - especially if the wind is blowing)
- * You are considered to have extra if your lid does not close completely on your can. You are **charged extra** if there are items piled beside your can or if you have garbage piled on top of your can and it falls off while the driver tries to empty your can. To avoid extra charges **we do have larger containers available.**
- * We pick up garbage on MOST Holidays except Christmas and Thanksgiving.
If you are not picked up on the holiday it will be picked up the following day.
